

Lagoon Quilt Tutorial

It's pretty simple to put together since it is just squares and half square triangles (HSTs), so if you want to make something similar this should take care of the math for you.

	Baby Quilt	Lap Quilt
Finished size	40" x 48"	56" x 64"
4.5" Background Squares	48	94
5" Background Squares	36	65
5" Print Squares	36	65

- 1 Draw a diagonal line onto the wrong side of each of the 5" background squares (if you aren't familiar with making HSTs, check out [this link](#) for illustrations).
- 2 Place each print (or colored solid) 5" square right sides together with a 5" background square and sew along each side of your diagonal line.
- 3 Cut along the diagonal line and press each HST open. Trim each HST down to 4.5" x 4.5".
- 4 Arrange the HSTs and 4.5" background squares randomly as desired (or use the sample layout below as a guide). This takes a little bit of work, getting things to look random is harder than you might think!
- 5 Piece the squares into rows, then piece the rows together.

Baby Quilt
10 blocks x 12 blocks

Lap Quilt
14 blocks x 16 blocks

And that's all there is to it.

Finished size: 56" x 64"

Batting: [Quilter's Dream Cotton Select](#)

Backing: [Melody Miller Viewfinders](#)

Fabric collection: Lagoon by Rashida Coleman Hale from [Culcita](#), mixed in with a few solids
